**With over 70 years' experience in volunteer sending, you can be confident that your students and staff will be well looked after and that learning objectives are met.**

#### Reasons to partner with AVI:

- AVI's experience mobilising hundreds of volunteers each year, including through the Australian Government's **Australian Volunteers Program**.
- We have a proactive approach to risk management. We know how to keep students and partners safe in complex international settings.
- AVI's experience is supported by a strong track record of designing and delivering culturally appropriate student mobility services for top-tier Australian universities.

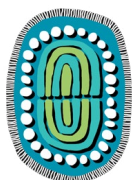

#### Take advantage of this uniquely flexible program design:

Choose all or some of our Student Mobility Program services - from program design, vetting of partners, pre-departure preparation, in-country support, program learning and evaluation to logistics and incident management.

Your student mobility program benefits from AVI's network of 1200 partnerships across the globe, all underpinned by respect for the universal protection of human rights and a do no harm approach.

AVI acknowledges the Traditional Custodians of Country throughout Australia. We recognise the continuing connection that Aboriginal and Torres Strait Islander peoples have to their lands and waters, and we pay our respects to Elders and communities past, present, and emerging.

We would like to specifically pay our respects to the Wurundjeri People of the Kulin Nation, as the Traditional Custodians of the lands on which our head office is located.
